ElvaJet® Punch

The ultimate performance in digital textile printing.

 SENSIENT

ElvaJet®

ElvaJet® Punch

Unrivalled Power in Performance.

ElvaJet® Punch is the next level industrial digital sublimation ink to address the requirement for highest strength colors whilst maintaining the outstanding printing performance that is synonymous with Sensient inks.

ElvaJet® Punch allows users in high value applications such as sportswear, flag & banner, fashion and home textiles to benefit from unrivalled color strength and extended color gamut. Superb printing performance and ease of use across the range of Epson DX and TFP print heads gives unsurpassed production reliability.

ElvaJet® Punch inks are unrivalled in color strength and gamut allowing production of high end designs in highly competitive markets. The color intensity and print performance of Punch is available on lightweight transfer papers, allowing efficiency savings to be made. Printed images have enhanced durability when transferred, giving optimum application performance.

Unrivalled Power in Performance

ElvaJet® Punch is ideal for the following high value applications:

- High performance sportswear
- Flag and banner/soft signage
- Fashion apparel textiles
- Home furnishings

The following inks are available:

Product range

Article N°	Designation
618PEP0	Elvajet Punch EP Yellow
638PEP0	Elvajet Punch EP Magenta
648PEP0	Elvajet Punch EP Cyan
678PEP1	Elvajet Punch EP Black
678CH0	Cleaning Solution

ElvaJet® Punch offers you key performance benefits such as:

- World beating color strength producing prints that pop with vibrancy
- Outstanding printing performance in all Epson DX and TFP systems
- Optimal ink release from suitable transfer papers
- Ideal for use with lightweight uncoated media
- Suitable for direct printing with low bleed and excellent print-through
- Excellent print durability
- Easy start-up and minimal print head maintenance
- Eco-sustainability
- Reduced consumption of ink, water and energy
